

Global Goddess Partners

Because networking and helping women worldwide is what Global Goddess is all about, we are forming partnerships with other communities of women around the world. There is great strength in numbers and many ways to help women.

Please explore and join with us in celebrating all of Her many faces.

The Millionth Circle <http://millionthcircle.org/>

The intention of The Millionth Circle is to:

- 1) seed and nurture circles, wherever possible, in order to cultivate equality, sustainable livelihoods, preservation of the earth and peace for all,
- 2) bring the circle process into United Nations accredited NGOs and the 5th UN World Conference on Women, and
- 3) to connect circles so they may know themselves as a part of a larger movement to shift consciousness in the world.

Everyone who has been drawn to the idea of "the millionth circle" is part of the millionth circle movement, and any event or circle that anyone creates and in doing so furthers the formation of more circles with a sacred center can freely define what they are doing "as part of the millionth circle movement."
